Section 3. Union Leave

The Union shall have thirty (30) days leave per year (exclusive of grievance proceedings, disciplinary proceedings and negotiations) to conduct Union business. The City agrees to pay the individuals so selected by the Union their full wages, without deduction.

The additional time shall not cost the City any additional monies except for the thirty (30) days as enumerated in this Section.

Section 4. Interrogation and Investigation

Members of law enforcement hold unique status as public officers in that the nature of their office and employment involves the exercise of a portion of the police powers of the municipality. The security of the community depends, to a great extent, on the manner in which a Police Officer performs his/her duties. Their employment is thus in the nature of a public trust. The wide-ranging powers and duties given to a police department and its members involve them in all manner of contacts and relationships with the public. Out of these contacts come questions concerning the actions of members of the force. These questions often require the immediate investigation by superior officers designated by the Chief of Police or the Mayor of the community. In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted. Wherever a police officer is under investigation

or subject to interrogation (for purposes herein, the term interrogation shall be defined as: a member is being interrogated when being asked specific questions about their involvement in misconduct) by the Plattsburgh City Police Department for any reason, which is intended to lead to disciplinary action, demotion, dismissal, or criminal charges, such investigation and interrogations shall be conducted under the following conditions: The member will have the right to Union representation at all such inquiries.

1. The interrogation shall be conducted at a reasonable hour, preferable at a time when the law enforcement officer is on duty, unless the seriousness of the investigation is of such a degree that an immediate interrogation is required.

2. The interrogation shall take place either at the office of the command of the investigating officer, or at the office of a local police department or police unit in which the incident allegedly occurred and is designated by the investigating officer.

3. The police officer under investigation shall be informed of the rank, name and command of the officer in charge of the investigation, interrogating officer, and all persons present during the interrogations. All questions directed to the officer under interrogation shall be asked by and through one interrogator.

4. The police officer under investigation shall be informed of the nature of the investigation prior to any interrogation.

5. No non-criminal complaint by a civilian against a Police Officer shall be processed with the intention of future anticipated disciplinary action, unless the complaint is duly sworn by the complainant before an official authorized to administer an oath. The Police Officer shall be notified of any non-criminal complaint or non-criminal investigation filed or initiated against him/her within eight (8) working days of such action. Any officer who engages in retaliation against a complainant who makes a civilian or criminal complaint against him/her shall be subject to immediate suspension or termination for such conduct in the discretion of the Chief.

6. Interrogation sessions shall be for a reasonable period of time and shall be timed to allow for such personal necessities and rest periods as are reasonably necessary.

7. The police officer under interrogation shall not be subjected to offensive language or threatened with transfer, dismissal or any disciplinary action. No promises or rewards shall be made as an inducement to answering any questions.

8. The complete interrogation of a police officer shall be recorded and there shall be no unrecorded questions or statements. The employee being interrogated shall receive a certified copy of all such recordings. A letter from the Chief or his/her designee providing the date, time and a statement that such recording is a true and accurate copy shall be sufficient to constitute a certified copy for purposes of this provision. A copy of such tape will be given to the employee within twenty-four (24) hours, if possible, but no later than within five (5) calendar days.

9. At the employee's request, an employee shall be entitled to consult with a Union representative or Union attorney before being questioned concerning the violation of the rules and regulations, or where it is contemplated that such employee will be served with a Notice of Discipline. At the employee's option, a representative of the Union or Union attorney, may be present during an interrogation of a member of the Department. The employer shall not be required, however, to delay questioning, interrogation, or service of notice of discipline for more than three (3) hours if the Union representative or Union attorney is unavailable or delayed. If an attorney is selected by the employee such costs of the attorney shall be borne by the employee. The employee shall not be required to sign any statement arising out of any questioning or interrogation without Union representation.

10. If the law enforcement officer under interrogation is under arrest or is likely to be placed under arrest as a result of the investigation, he/she shall be completely informed of all his/her rights.

11. Any statements or admissions made by an employee during an interrogation without the opportunity to have Union representation may not be subsequently used in a disciplinary proceeding against that employee under Article XVIII of this Agreement.

Section 5. Night Foot Patrol

(a) To provide for safe working conditions for Police Officers, the Shift Commander may assign two-officer patrols between the hours of 9:00 p.m. and 5 a.m.

(b) No additional personnel will be called to duty to supply the above staffing. The Shift Commander is only required to assign two-officer foot patrols between the hours of 9:00 p.m. and 5:00 a.m. except for special events.

The above-mentioned hours may be adjusted based on need.

Section 6. Rotation

The City will make reasonable efforts to rotate Police Officers between foot patrol and motor patrol for the duration of each posted schedule.

Section 7. Department Rules Published

The City shall provide each Police Officer with a copy of all-general orders, training bulletins, and the Rules and Regulations of the Department, when published or changed.

Section 8. Personnel Record Review

(a) All Police Officers covered by this Agreement shall, upon demand, have the opportunity, in the presence of their Union representative, upon written request, of reviewing their personnel history file maintained by the Plattsburgh Police Department.

(b) The personnel file shall contain, but not limited to, all memoranda or documents relating to such employee which contain confirmed criticism, all commendations, official appraisal, or official job ratings of such employee. Copies of such memoranda or documents shall be sent or given to such employee simultaneously with their being placed in the personnel file. All documents other than original job applications which are in, or are to be placed in, the personnel file, shall be initialed by such employee, and be furnished a copy of the same at the time such documents are to be placed in such personnel file.

(c) An employee may, at any time, request and be provided copies of all documents and notations in his/her personnel file of which he/she has not previously been provided copies.

(d) An employee shall be allowed to place in his/her personnel file a response to any written counseling/warning, written reprimands, or to anything contained therein which such employee deems to be adverse. This response shall be done within thirty (30) days of being given such documents.

(e) With the exception of material relating to disciplinary action or performance evaluations, any material in the personnel file of any adverse nature that has been in the personnel file for over two years, will, upon an employee's written request to the Employer, be removed from the file. However, this does not preclude earlier removal of such material.

Section 9. Subcontracting

The City agrees not to subcontract or assign any personnel outside the bargaining unit to any functions within the City of Plattsburgh normally performed by Police Officers which will result in the full or partial lay-off of any member of the bargaining unit.

Section 10. Winter Foot Patrol

The City will make every effort to ensure the comfort of those Police Officers assigned to outdoor foot patrol during cold weather by permitting reasonable time or respite in a warm area within the assigned zone, such as restaurants, assigned vehicles, or to have foot patrol temporarily replaced by motorized patrol.

Section 11. Union Meetings and Postings

The Union shall have the right to post notices and/or other communications on a Union bulletin board (location to be mutually agreed upon with the Department). Union meetings shall not be held on City property without prior approval of the Chief of Police or his/her designee. The City shall provide a mail folder for each Police Officer that may be used by the Union to distribute messages and materials. No other employee organization will be allowed to use the bulletin boards or mail folders.

Section 12. Union Negotiating Committee Time

For the purpose of entering into collective negotiations for a successor agreement to this Agreement, the Employer agrees to grant the employee Union leave to the Negotiating Committee which will consist of a maximum of four (4) members of the bargaining unit. For time spent in the negotiation preparations, negotiating sessions, and relate meetings, such employees shall be compensated, within reason, at straight time for those hours spent. Requests for such time shall be submitted to the Chief of Police, or his/her designee, at least seventy-two (72) hours in advance for approval. Once the formal negotiations begin, the Committee will be granted two (2) hours off prior to the start of each session, and two (2) hours off at the end of each session.

Section 13. Personnel Change

All promotions, demotions and discharges of Police Officers shall be in accordance with this Agreement and/or the New York State Civil Service Law and Rules.

**ARTICLE VII
INDEMNIFICATION**

Section 1.

The Employer hereby agrees to defend, indemnify and save harmless all employees in the bargaining unit in accordance with the provisions of this Section.

(a) Each employee shall be informed of the benefits provided by the General Municipal Law, other applicable law, and this Agreement relating to indemnification and defense. Such indemnification and defense shall be for civil and/or criminal charges arising out of actions taken in the performance of his/her duties or in the scope of his/her employment, at no cost to the employee.

(b) Any interrogation or investigation or any employee covered by this Agreement which ultimately results in any judgment being brought against him/her based on actions taken in the performance of his/her duties or the scope of his/her employment, the Employer shall indemnify any such employee and shall defend, represent and save harmless for any and all such actions, whether the employee is on or off duty.

(c) Such indemnification shall not apply where the actions that form the basis of the suit or complaint arise out of the intentional misconduct or gross negligence of the employee.

(d) The Employer shall provide counsel at the option of the employee for the defense of all such cases, including all cases where the employee is charged with a criminal offense arising out of the actions taken in the performance of his/her duties or the scope of his/her employment, at no cost to the employee.

(e) Should the Employer decline to defend because it has determined that the acts alleged of the employee were not in the performance of his/her duties or within the scope of his/her employment, or constituted intentional misconduct or gross negligence in reference to paragraph "(c)" of this Section, then the employee may grieve the Employer's decision at the last step of the grievance procedure. While such grievance is pending, and until it is ultimately resolved, the Employer shall continue the defense of the suit. Should the arbitrator find that the officer was, in

fact, acting outside the scope of his/her employment, or was misconducting himself/herself, said officer will be responsible for his/her legal fees, and will be required to reimburse the City for any money spent. All such decisions will be subject to appeal to a court of competent jurisdiction at the request of either party.

(f) An employee served with a notice of claim or summons claiming damages arising out of actions stated above shall forward it to the corporation counsel's office within five (5) calendar days of receipt, and shall have a continuing duty to forward any further legal papers concerning such claims within the same time limits.

(g) Any employee involved in any incident which may be the subject of litigation must cooperate with the corporation counsel's office in all respects. Such employee must respond promptly to letters, must appear for interviews, hearings and examinations as requested by the corporation counsel, or its retained counsel.

(h) The Employer shall not be obligated to defend or indemnify any employee who unjustifiably fails to comply with the requirements of this Article.

ARTICLE VIII SENIORITY

Section 1. Definition

(a) SENIORITY is the total CONTINUOUS length of service in this bargaining unit.

(b) In the event that a police officer is promoted, seniority shall be deemed to be continuous service from the date of the appointment as a Sergeant, a Corporal, or Detective.

(c) Tie-Breaking System - In the case of a tie between two (2) candidates, the following tie-breaking system will be applied in the order listed until such time as the tie has been broken. By this process, those individuals will then be placed in the appropriate seniority order.

(1) Date of Appointment in Title

(2) Appropriate Test Mark

(3) Original Date of Appointment to the Plattsburgh Police Department

- (4) Scramble System (see Side Letter 1)

Section 2. Seniority List

A current seniority list showing the names, length of service, and Department assignments and rank shall be furnished to the Local Union every six (6) months, on or about January 1st and July 1st. A copy of the list shall be maintained for inspection by members.

Section 3. Loss of Seniority

A Police Officer shall forfeit his/her seniority rights only for the following reasons:

- (a) Resignation without reinstatement within one (1) year unless date of reapplication is within one (1) year;
- (b) Dismissal without reinstatement; and
- (c) Retirement

Section 4. Use of Seniority

(a) In determining preferences for the purpose of selection of vacation and scheduled shift selection, seniority shall prevail.

(b) All jobs in the bargaining unit shall be put up for bid by seniority as soon as said job becomes open. Management reserves the right not to fill any open jobs. A job shall be considered open when an employee performs part or all of the duties of that position for over three (3) consecutive months. Jobs are to be posted on the bulletin boards within ten (10) days of opening, and are to be filled within thirty (30) days. If there is more than one (1) employee who is equally qualified for the job, then such position shall be filled by selecting from among those equally qualified, the employee with greatest seniority. Disputes over the selections shall be subject to the grievance and arbitration procedure only on the question of whether the selections were arbitrary and capricious. Assignments within a job description shall be made by the Police Chief or his/her designee and shall not be subject to the grievance and arbitration procedure.

(c) An employee wishing to apply for the open or vacant position may submit an application, in writing, to the Chief, and a copy to the Union, no later than fifteen (15) workdays after the job opening or vacancy was first posted. Applications not received by the Chief by the expiration date of the posting shall be disqualified.

(d) A notice listing those employees who have applied for the position and the employee or employees selected for the position shall be posted by the Employer on all Department bulletin boards within two (2) work days of the selection by the Employer, and such posting shall be for a period of at least two (2) weeks.

ARTICLE IX ECONOMIC PROVISIONS

Section 1. Basic Wage Rates

(a) Basic wage rates for this Agreement for a Police Officer are those shown on "Appendix A" attached hereto. Effective dates of these wages shall be as indicated during the term of this Agreement.

(b) The City shall pay an additional sum of \$2,000.00 per annum effective July 1, 1995, July 1996, July 1, 1997 to any police officer who has been or is assigned to regular duty as a Detective or Corporal. Such additional sum shall cease upon termination of regular assignment to this duty. Such payment shall be made in equal weekly paycheck installments over the applicable period.

(c) A Police Officer's "hourly rate of pay" shall be the Police Officer's annual salary divided by 2080.

(d) The City shall pay all detectives who have served as a detective with the City Police Department for three (3) years or more an additional \$1,500.00 per year which shall be added to the detective's base salary. The current attached schedule reflects this \$1,500.00 and includes it within the base salary. Any employee or person who transfers into the position of detective will not be entitled to this \$1,500.00 increase until such employee had served as a detective within the Plattsburgh City Police Department for 3 years.

Section 2. Hours of Employment

(a) There shall be maintained a regular workweek which shall consist of forty (40) hours averaged out over a calendar year for all classes of Police Officers divided into regularly scheduled periods.

(b) The regular workday for each Police Officer shall consist of a regularly scheduled period within a twenty-four (24) hour period.

(c) The City shall schedule two (2) twenty-four (24) hour days off per week for each police officer to be scheduled in the same week and consecutively except: (1) In an emergency. (2) During scheduled training periods. (3) When not possible as an occurrence of the normal shift changes or cycles that occur during the calendar year, (i.e.: in week one an employee receives one (1) day off and in week two and employee receives three (3) days off).

Section 3. Overtime

(a) All work in excess of a regular scheduled work cycle shall be compensated at a rate of time and one-half (1½) the regular hourly rate of pay. Uniform employees who work on their last consecutive day off shall receive two (2) times the regular hourly rate of pay if they are on the voluntary overtime ledger and have volunteered for the overtime (not ordered in). This provision of the Agreement shall only be valid so long as the department maintains its current twelve (12) hour shift process. If the current twelve (12) hour shift process should change then the City has the right to discontinue this provision. Employees who are ordered in to work on a vacation day shall be paid two (2) times the regular hourly rate of pay. Detectives who are ordered into work on their last scheduled consecutive day off, shall receive two (2) times their regular hourly rate of pay or if they are called in for a purpose other than training. No employee shall receive two (2) times their regular hourly rate of pay for training unless ordered in on vacation.

(b) At the employee's option, subject to the provisions of Article XI Section 1, time off may be taken in lieu of pay at the same rate stated above, as outlined under Article IX, Section 10 of this Agreement. The minimum overtime payment shall be fifteen minutes. Any unit of time thereafter greater than fifteen minutes will be rounded up to the next fifteen minutes increment.

(c) Overtime work shall first be offered to a pool of volunteers who have signed up for such work in order of seniority among Police Officers/Sergeants/Corporals who normally perform such work.

(d) Overtime - Call in Procedure

When it is determined that overtime is needed the following procedures will be taken:

1. **Determining the cause for the overtime.** It will first be determined which even came last that required the need for the overtime shift or hours. The history function in InTime will be used to determine the proper sequence of events to determine the point in time when a shortage was last created.
2. **Next the Job Title (Sergeant, Corporal, Patrol Officer, or Dispatcher)** of the individual

who is causing the shortage will be identified.

3. If the overtime post(s) is/are more than 4 days out go to Step 5 **Electronic Posts**.
4. If the overtime post(s) is/are less than 4 days out go to Step 9 **Overtime by Phone**.
5. **Electronic Posts** using InTime for overtime shall be the preferred method of offering overtime to personnel. In using this method, both parties acknowledge the limitations of InTime for offering **Unscheduled Overtime** (overtime which is know less than 8 hours in advance) and some **Regular Scheduled Overtime** (overtime which is known more than 8 hours in advance).
6. To offer overtime electronically, it must be offered enough days in advance to canvass the regular work days of all 4 platoons of the patrol division. While every effort shall be made to post and fill overtime as soon as reasonably possible in such a case, in cases where overtime is known (Plattsburgh Half Marathon, July 4th, Mayor's Cup, Battle of Plattsburgh, regularly offered Traffic Details) well in advance, every effort will be made to post and fill such overtime at least 3 weeks in advance.
7. As a general guideline, overtime posts should be "**live**" for **at least 4 days and no longer than 7 days**.
8. Every effort will be made to fill overtime posts chronologically to provide for the fair and equal distribution of voluntary and forced overtime.
9. **Overtime by Phone**: The candidates in the **Job Title (Sergeant, Corporal, Patrol Officer, or Dispatcher)** determined in Step 2 will first be contracted to be asked to fill the open post(s). this pool of candidates will be exhausted before moving on to the next pool of candidates.
10. **Canvassing** by using the **Electronic Post(s)** to fill overtime: several job titles may be canvased at the same time (ex. Corporals, Patrol Officers and Dispatchers). However, there may be times that restrict the number of job titles canvased (ex. a dispatcher is already on duty, so dispatchers will not be pooled for this same time period) and/or qualifications needed to fulfill the post may not be met (ex. dispatcher cannot fill DWI patrol).
11. **Filling of Electronic Post** using volunteers to fill an overtime position: Filling of the

overtime will be on a voluntary basis first and then order-ins if the post(s) are not filled.

- a. The posting will be filled first using volunteers in the **Job Title** that was determined in Step 2.
- b. If there is more than one candidate from the same job title then the person who had least recently accepted overtime will be chosen. If both candidates are of equal value then the posting will go to the senior person.
- c. If there are no volunteer from the job title creating the shortage then the next pool of candidates will be considered and filled using Step b from above. This step may be repeated until the post(s) is/are filled.
- d. All available candidates will be pooled for the entire overtime shift before any partial shifts or order-ins will be generated.

When a corporal is needed in the discretion of the employer, to fill a vacant corporals slot, the voluntary sign-up list of corporals is polled. If there are no volunteers, the list of sergeants is then polled for volunteers. If no volunteers exist on either list, the next corporal on the inverse order in list is ordered in to duty.

When a patrol officer is needed, in the discretion of the employer, to fill a vacant patrol officer's slot, the voluntary list of patrol officer is polled. Such overtime shall be offered on a voluntary basis, and shall be distributed by seniority according to the sign-up ledger. (Employer shall supply a sign-up overtime ledger.) If no one accepts said overtime, the inverse seniority list shall be used.

(2) Unscheduled Overtime - unscheduled overtime shall be defined as overtime, which is known less than eight (8) hours in advance. Unscheduled overtime shall be offered by means of using the seniority list (voluntary) first, then by offering such overtime to Police Officers/Sergeants/Corporals already on duty. If no one accepts such overtime, the least senior officer on duty will be ordered to work on a rotational basis.

(3) Emergency Overtime - shall be defined as written in the Unconsolidated Laws of the State of New York, Section 971, "... in the event of strikes, riots, conflagrations or occasions when large crowds shall assemble, or other similar emergency ... ". Also meaning any unforeseen, unexpected or exigent department need. All call-ins for overtime in this area will be made by the shift supervisor, and each Officer will be required to report for duty in the Plattsburgh Police Department.

(4) Exception to Overtime Procedure - any overtime resulting from an operation such as drug raid, gambling raids, or the culmination or continuation of a long-term investigation or specialized tasks, will be made as needed by Management, and the above procedure will be waived, although compensation for all such hours will be as outlined above.

(5) Use of Inverse Seniority List - the inverse seniority list will be composed of all Officers from least seniority to maximum seniority. As calls are made from the inverse seniority lists, notations will be made of the Officer so ordered to duty. Those Officers not contacted in this call procedure will be called on the next occasion that said list must be used so that all Officers will be treated alike as per mandatory overtime.

(6) The Union recognizes that work in progress shall be completed by the Officer performing the work at the time the determination was made that the overtime was necessary.

(7) An overtime roster shall be available for inspection by representatives of the Union at Police headquarters, and an overtime list shall be available for review.

(8) Time during which a Police Officer is excused from work because of vacation, holiday, personal leave, sick leave, bereavement leave, compensatory time off, or other leave at full pay, shall be considered as time worked for the purpose of computing overtime.

(10) Nothing contained in this Section shall prevent the Chief of Police from granting days off to Police Officers and calling in appropriate personnel to work overtime to replace said Officers in special circumstances such as granting a shift off immediately prior to a scheduled civil service promotional exam.

(12) Order-Ins in the Event of Time Off – Order-ins will be conducted by the Shift Supervisor or OIC in the event a Shift Supervisor is unavailable. Order-ins will proceed as usual unless the following circumstances are present;

- If an Officer has scheduled Vacation or Block of Paid Holidays that begins on a Monday, they will be exempt from being ordered in the previous weekend

which is attached to the front end of a person's Block of Paid Holidays or Vacation Time.

- Example: if an Officer has their normal scheduled weekend off (Friday, Saturday, Sunday) and begin vacation on Monday, which is their normal return date, they will be exempt from the weekend Order-in.

This Memorandum will also work at the end of an Officer's Block of Paid Holidays or Vacation Time.

- Example: if an Officer is on a Block of Paid Holidays or Vacation Time, they will be exempt from being Ordered-in at the end of same. If an Officer is on a Block of Paid Holidays or Vacation on a (Wednesday and Thursday), they will be exempt from being Ordered-in for their scheduled weekend off attached to the end of said Block of Paid Holidays or Vacation Time.

Note: it should be recognized that our schedules run from Sunday to Saturday. The above days were indicated as such to help simplify the understanding of the schedule.

Attached to this Memorandum is an InTime printout in which both of the scenarios listed above are shown for reference. The affected Officers on this printout are annotated with a Red Arrow to show the weekend which are referenced.

- Connor Kowalowski shows that he is on Vacation Sunday, Wednesday and Thursday, which would make him exempt that (Friday, Saturday, Sunday) following said Vacation.
- Stacey Brown shows a Block of Paid Holidays which would make her exempt from the (Friday, Saturday, Sunday) which is on the Front of said Holidays.

In the event that the Officer who is on Vacation or a Block of Paid Holidays is next to being Ordered-in, the Shift Supervisor or OIC will go to the next eligible person to be Ordered-in. Let it be known; InTime will show that the affected Officer is next to be Ordered-in, it is the duty of the Shift Supervisor or OIC to manually check the schedule to ensure the Officer on Vacation or a Block of Paid Holidays is not affected.

This Memorandum will reflect Article IX Economic Provisions Section 3 (Overtime) and Subsection (d) Overtime – Call In Procedure of the current contract.

This request may be either regular vacation or a block of holidays which will both be treated alike and on a first-come, first-served basis, regardless of any other unscheduled time off (vacation, holidays, etc.).

Any un-used vacation will be paid to the employee/beneficiary in cash for any reason upon leaving employment.

After the bidding system is placed in effect, any vacancy in the positions set forth on the attached schedule or occurring by reason of new positions (if filled) shall be filled by appointment by the Chief of Police, or his/her designee, until the next annual bidding, at which time such vacant positions will be included in the bidding and filled in accordance with the paragraph.

The City retains the right not to fill a vacant position and to create additional schedules if the positions of Sergeant or Police Officer are increased during the term of this Agreement. Such additional schedules will be bid in October as outlined above.

GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. Principles and Definitions

(a) When a Police Officer or the Union has a grievance against the City as hereinafter defined, it shall be processed in accordance with the grievance procedure hereinafter provided.

(b) A grievance shall mean a complaint by the Union or by an employee in the unit that there has been a violation, misunderstanding or inequitable application of any of the provisions of this Agreement, or by reason of any act or condition which is contrary to established departmental policy governing or affecting employees; provided, however, that this provision shall not be deemed to restrict the power of management to change policy within the areas reserved to it and not in conflict with this Agreement.

(c) The Parties shall make a sincere and determined effort to resolve meritorious grievances in the voluntary steps of the grievance procedure, and to keep the procedure free of unmeritorious grievances. Grievances resolved at any step of the procedure shall be precedent setting only when the Union, Council 82, and the Employer, the Mayor, have reduced such resolution to a written agreement signed by both.

(d) An employee shall be entitled to Union representation at each and every step of this procedure.

Step 1: The employee and/or the Union shall present the grievance, in writing, to the Chief of Police within twenty (20) days of the act or omission-giving rise to the grievance. The Chief of Police shall meet with the grievant and the Union to discuss the grievance, or shall directly respond to the grievance without benefit of a formal meeting. In any event, the Chief will respond, in writing, to the Union within ten (10) days from receipt of the grievance. Recognizing the value and importance of full discussion in clearing up a misunderstanding and preserving harmonious relations, every reasonable effort shall be made to resolve problems promptly at this step through discussions.

Step 2: In the event that the grievance has not been satisfactorily resolved at Step 1, an appeal may be taken by the Union, in writing, to the Mayor within ten (10) days from the receipt of

the Step 1 decision. The Mayor shall meet with the Union to discuss the grievance, or shall directly respond to the grievance without benefit of a formal meeting. In any event, the Mayor will respond, in writing, to the Union within ten (10) days of receipt of the grievance.

Step 3: In the event that the grievance has not been satisfactorily resolved at Step 2, a request for arbitration may be brought only by the Union, through the Executive Director, or his/her designee, within ten (10) days of the date the Union received the Step 2 decision, by mailing a request for arbitration to the Director of the New York State Public Employment Relations Board, and simultaneously send a copy of such request to the Mayor.

Section 2. Arbitration Procedure

The arbitrator shall be appointed in the following manner:

(a) Either party shall request the New York Public Employment Relations Board to submit simultaneously to each party an identical list of seven (7) names from its panel.

(b) Each party may delete from the panel a maximum of three (3) names, and shall, in numerical order, rank the remaining names in order of preference.

(c) Within ten (10) calendar days following receipt of the list of arbitrators, the parties shall confer for the purpose of selecting the arbitrator. The name having the lowest numerical ranking arrived at by combining the ranking from the two lists shall be deemed to be the mutually selected arbitrator. In case of a tie for lowest numerical ranking, the tie will be broken by lot.

(d) Within ten (10) calendar days following the selection of an arbitrator, either party may notify the arbitrator of his/her appointment, and shall request that the arbitrator select mutually satisfactory dates for hearing.

(e) If the arbitrator should find that the facts in any case warrant a retroactive adjustment of any kind, such adjustment shall in no event be retroactive prior to the event from which the specific grievance arose.

(f) The arbitrator shall proceed with the disposition of the matter with the utmost dispatch, and the decision of the arbitrator shall be final and binding on all parties.

Section 3. Arbitration Rules

(a) The aforementioned arbitrator shall adhere to the procedures and arbitrate grievances as set forth in the American Arbitration Association Voluntary Labor Arbitration Rules as amended and in effect January 1, 1979, so far as applicable.

(b) No arbitrator functioning under this step of the grievance procedure shall have any power to amend, modify or delete any provisions of this Agreement.

(c) Expenses for the arbitrator's services and the proceedings shall be shared in equal amounts by the parties. Each party shall be responsible for compensating its own representatives.

Section 4. Processing Grievances/Other Related Functions by Union Officers

(a) The Local Union President, or his/her designee, shall be permitted a reasonable amount of time to investigate and process grievances during work hours, if necessary, without loss of pay, provided that such person's immediate supervisor is notified that he/she is leaving his/her place of employment for such purposes, with the ability of the supervisor to be in contact with the individual by phone or police radio for departmental necessities, so long as his/her absence will not unduly interfere with work to be performed, and provided that the individual does not leave the City of Plattsburgh.

(b) The Employer shall recognize the following grievance representatives at each step of the grievance process, and shall release such representatives from normal duties to process grievances, providing that such absences from work will not interfere with proper conduct of government functions, without loss of accrued leave credits or loss of pay for time spent processing the above stated grievances.

Step 1 - Grievant, steward and/or Local President, or his/her designee*

Step 2 - Grievant, steward and/or Local President, or his/her designee*, and Council 82 President

Step 3 - Grievant, steward and/or Local President, or his/her designee*, and Council 82 President

***The local Union shall furnish the names of the elected representatives and the names of the stewards who will be authorized to do so represent the Union in the grievance process, and shall be updated appropriately as changes occur.**

Union Staff Representatives and International Staff Representatives may be present at all steps of the grievance procedure.

Section 5. General Provisions

(a) As used in this Article, all references to days shall mean calendar days. All of the time limits contained in this Article may be extended by mutual agreement of the parties, and shall be confirmed in writing.

(b) Aggrieved employees, their Union representatives, and necessary witnesses, shall not suffer any loss of earnings, or be required to charge leave credits as a result of processing or investigating grievances during such employee scheduled working hours. Reasonable and necessary time spent in processing and investigating grievances, including travel time, during such employees' scheduled working hours shall be considered as time worked, provided, however, that when such activities extend beyond such employees' scheduled working hours, such time shall not be considered as time worked.

ARTICLE XVII

DISCIPLINE

Section 1. Burden of Proof

No employee shall be disciplined or otherwise removed except in accordance with provisions of this Agreement. In all disciplinary hearings or proceedings under this Article, the burden of proof shall rest with the Employer.

Section 2. Choice of Procedure

An employee against whom a disciplinary action or measure is pending may elect to follow Section 75 or 76 of the Civil Service Law or the procedure set forth hereunder. The employee's selection of one shall preclude the use of the other. The employee will make this selection on the appropriate form prior to its submission.

Section 3. Penalties

The parties to this Agreement recognize that a certain amount of discipline is necessary for the efficiency of the operation of the Department. It is therefore agreed that disciplinary measures may be imposed on an employee for misconduct or incompetence. The following are not a required step process and represent suggested labels only. While the employer is committed to a progressive discipline approach whenever appropriate, the employer may take a disciplinary measure at whatever level it deems appropriate.

- A. Oral Warning
- B. Written Counseling/Warning
- C. Written Reprimand
- D. Loss of Leave Credits
- E. Suspension
- F. Demotion
- G. Discharge

Whenever the Employer seeks imposition of "C", "D", "E", "F", or "G" above, the employee shall be served a written notice of specific charges being brought against him/her and the penalty intended to be imposed. The notice served on the employee shall contain a detailed description of the alleged acts and conduct, including dates, times, and places. A second copy of the charges will be provided to the employee to send to the Union, if he/she so desires; said copy to the Union shall be the responsibility of the employee.

Section 4. Imposing Penalty

Discipline shall be imposed only for misconduct or incompetence, subject to Section 3 above and the provisions of Section 10 of this Article.

Section 5. Union Representation

An employee shall be entitled to Union representation at each step of the disciplinary process. All actions taken pursuant to Article 17.3, c, d, e, f, and g, shall be subject to the grievance procedure.

Section 6. Appeals Procedure

An employee against whom disciplinary charges other than oral warning or written counseling warning, shall have the right to appeal such action. Upon receipt of such notification, an employee shall have ten (10) working days to file with the Chief of Police a written response to the charges. The employee shall file a copy of his/her response with the Union. Should the employee deny the charges or admit the charges but reject the proposed penalty, he/she shall also include in his/her response whether he/she desires to be represented by the Union or his/her own attorney. Any memorandum of oral warning or written counseling memos may be removed from the employee's personnel file upon the employee's request at any time after three years from the date when the oral warning or written counseling warning was issued.

Section 7. Settlements

In any case where an employee, in his/her response to the charges, disagrees with the penalty proposed, or denies the charges brought against him/her, the Chief of Police, or his/her designee, shall meet with the Union within ten (10) working days of receipt of the employee's response in an effort to resolve the matter. Any settlement will be reduced to writing. Under no circumstances may an employee be required to execute a settlement without being afforded a reasonable opportunity to have representative of the Union or his/her own attorney present. A copy of any settlement shall be provided to the Union and the employee.

Section 8. Arbitration

If the matter is not resolved at the meeting with the Mayor, or his/her designee, then the employee, within ten (10) working days of the date the meeting is held, may follow 16.1, Step 2, of this Agreement, or request a Civil Service hearing, whichever the case may be. If the matter is not resolved at Step 2 of 16.1, the employee may file for arbitration under 16.2 of this Agreement.

Section 9. Arbitrator's Limitations

Disciplinary arbitrators shall confine themselves to determinations of guilt or innocence and the appropriateness of proposed penalties. Disciplinary arbitrators shall neither add to, subtract from, nor modify the provisions of this Agreement. This disciplinary arbitrator's decision with respect to guilt or innocence, penalty, or probable cause of suspension, pursuant to section 10(a)

of this Article, shall be final and binding upon the parties, and the disciplinary arbitrator may approve, disapprove, or take any other appropriate action warranted under the circumstances, including, but not limited to, ordering reinstatement and back pay for all or part of the period of suspension. If the disciplinary arbitrator, upon review, finds probable cause for the suspension, he/she may consider such suspension in determining the penalty to be imposed.

Section 10. Suspension Before Notice of Discipline

(a) Prior to issuing a notice of discipline or the exhaustion of the disciplinary grievance procedure provided for in this Article, an employee may be suspended without pay by his/her appointing authority only pursuant to paragraph (1) below:

1. The appointing authority, or his/her designee, may suspend, without pay, an employee when the appointing authority, or his/her designee, determines that there is probable cause that such employee's continued presence on the job represents a potential danger to persons or property, or would severely interfere with its operations. Such determination shall be reviewable by a disciplinary arbitrator.

2. A notice of discipline shall be served no later than seven (7) calendar days following any such suspension. If such notice of discipline is not served within such seven (7) days, the employee shall be restored to duty immediately.

(b) A registered or certified letter notifying the Executive Director of the Union of any suspension under paragraph 17.10 (a)(1) above shall be sent within one (1) day, excluding Saturdays, Sundays and holidays.

Section 11. Rights of the Parties

(a) Either party may inspect and copy, upon request, any written statements of witnesses or records which are relevant to the disciplinary charges, and which are in the possession of the other party, in advance of the date of such proceeding.

(b) The Grievance Committee Chairman, the Local Union President, or his/her designee, the aggrieved employee, and necessary employee witnesses, shall not suffer any loss of time or pay, or be required to charge accrued leave credits as the result of time spent in any disciplinary hearing or arbitration proceeding during their regular working hours.

(c) Work shift changes or reassignments shall not be made for the purpose of imposing discipline, except in cases of demotion. In cases where criminal charges are pending against an employee, the effect of which may seriously affect the employee's ability to carry out the responsibilities of his/her job assignment, such temporary changes may be made, but only until final disposition of the matter is made by appropriate court action.

(d) No employee shall be brought up on disciplinary charges for acts which occurred more than six (6) months prior to the serving of disciplinary charges upon him/her, except that the above limit shall not apply to acts which, if proven in a court of appropriate jurisdiction, would constitute a crime.

(e) All fees and expenses of the arbitrator, if any, shall be divided equally between the Employer and the Union, or between the Employer and the employee, if such employee chooses not to be represented by the Union. Each party shall bear the costs of preparing and presenting its own case. The estimated arbitrator's fee and expenses, and estimated expenses of the arbitration, may be collected in advance of the hearing. Should an arbitrator view the position of any party to a contract grievance to be frivolous the arbitrator may require that his/her fees and expenses be born by the frivolous/losing party.

(f) In the event that any employee against whom disciplinary charges are brought by the Employer elects to be represented by any party other than the Union, such employee shall be individually responsible for all expenses which are incurred in connection with such disciplinary proceeding. No employee can be represented in such a disciplinary proceeding by any office, executive board member, delegate, representative, or employee of any actual or claimed employee organization, or affiliate thereof, other than Council 82.

(g) No recording devices of any kind shall be used during any disciplinary proceeding unless agreed to by all parties.

Section 12. Discipline of Probationary Police Officers

Notwithstanding any other provisions of this contract, probationary Police Officers shall be subject to discipline pursuant to New York State Civil Service Law.

Section 13. Drug and Alcohol Policy

The drug and alcohol policy shall be implemented effective thirty (30) days after the execution of the Memorandum of Agreement. The Drug and Alcohol Policy shall be attached to this agreement as Appendix E.

- C. In order to care for the spouse, son, daughter, or parent of the employee, if such spouse, son, daughter, or parent has a serious health condition;
- D. Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee;

An eligible employee is one who has worked at least 1,250 hours during the previous 12 months for the employer.

An employee entitled to leave under this policy may be required to use accrued vacation, personal leave, or, for leave granted under paragraphs C or D, sick leave, for any part of a 12 week period of leave granted pursuant to this policy.

The City shall maintain coverage for health insurance to an employee on leave pursuant to this section for the duration of the twelve week period, and under the conditions coverage would have been provided if the employee had continued in employment continuously for the duration of such leave. This City may, to the extent permitted by this collective bargaining agreement, recover premiums that it has paid for the maintenance of health insurance coverage if the employee fails to return from leave granted pursuant to this policy, unless such failure to return results: (1) from the conditions necessitating the leave or such failure to return is beyond the control of the employee. Nothing contained in the provision shall otherwise limit the obligations of the employer or the employee under the provisions of the family and medical leave act.

APPENDIX "D"
AMERICANS WITH DISABILITIES ACT COMPLIANCE

With respect to compliance by the employer with the provisions of the Americans with Disabilities Act (the "Act") and regulation issued pursuant to the Act, the police officer's association agrees that it shall have the same obligation as the employer with respect to reasonable accommodation.

With respect to an employer's attempt to a reasonable accommodation in accordance with provisions of the Act, and regulations issued pursuant to the Act, the Union shall have an affirmation obligation to assist the employer in achieving any such accommodation.

APPENDIX "E"
DRUG AND ALCOHOL TESTING

I. Definitions

1. For purposes of this Policy, "prohibited drugs" are defined and limited to the following prohibited substances:

- a. Marijuana
- b. Cocaine
- c. Opiates
- d. Amphetamines
- e. Phencyclidine

2. Alcohol

As used herein, alcohol means the intoxicating agent in the beverage alcohol, ethyl alcohol or other low molecular weight alcohols, including methyl or isopropyl alcohol. Alcohol use means the consumption of any beverage, mixture or preparation, including any medication containing alcohol.

3. Alcohol Misuse

The Employer recognizes that the use of alcohol is legal when done off the job and in a manner that cannot affect job performance. Alcohol misuse consists of a violation of the following requirements:

- a. No employee shall report for duty or remain on duty while having blood alcohol concentration of 0.02 or greater.
- b. No employee shall use alcohol within four (4) hours prior to reporting for duty.
- c. No employee required to take an on duty post-accident test shall use alcohol for eight (8) hours following the accident or until the employee undergoes a post-accident alcohol test, whichever occurs first.

4. "Substance abuse professional (SAP)" means a licensed physician, or a licensed or certified psychologist, social worker, employee assistance professional, or addiction counselor (certified by the national Association of Alcoholism and Drug Counselors Certification Commission), with knowledge of and clinical experience in the diagnosis and treatment drug and alcohol-related disorders.

II. Testing for Prohibited Drugs and Alcohol

1. Analytical testing of urine of covered employees for prohibited drugs and of breath for alcohol misuse shall be conducted as provided by this Policy and as may be required by law. The six testing categories are:

- a. Pre-Employment Testing
- b. Reasonable Suspicion Testing
- c. Post-Accident Testing
- d. Random Testing
- e. Return to Duty Testing
- f. Follow-Up Testing

2. Pre-Employment Testing

- a. All applicants for employment in or assignment to a covered position, or transfers to such positions or assignments, shall be tested for prohibited drugs.
- b. The drug tests required by this section shall be administered only after the applicant is informed in writing that the urine sample being collected will be tested for the five classes of prohibited drugs. Pre-employment testing will be administered as recommended by the Municipal Police Training Council (MPTC).
- c. All applicant who fails a drug test shall not be hired for, or assigned, to a covered position.

3. Reasonable Suspicion Testings

- a. Covered employees are prohibited from using prohibited drugs or misusing alcohol as described herein. A covered employee who is reasonably suspected by a supervisor of using a prohibited drug or the misuse of alcohol, or both, shall be administered a drug test (urine) or alcohol test (breath) or both, as appropriate. The determination that an employee is reasonably suspected of using a prohibited drug or of the misuse of alcohol, or both, shall be made by a supervisor or other officer in charge of a shift. The person who makes the determination that reasonable suspicion exists to conduct drug or alcohol testing shall not conduct the actual test of the employee.
 - i. While the term "reasonable suspicion" does not lead itself a precise definition or mechanical application, vague, unparticularized, unspecified or rudimentary hunches or intuitive feelings do not meet the standard.
 - ii. Reasonable suspicion is the quantum of knowledge sufficient to induce an ordinarily prudent and cautious person to act under the circumstances. Reasonable suspicion must be directed at a specific person and be based on specific articulable facts and the logical inferences and deductions that can be drawn from those facts.
 - iii. Reasonable suspicion may be based upon other matters: observable phenomena, such as direct observation of use and/or the physical symptoms of using or being under the influence of substances which violate this policy such as slurred

speech, odor, disorientation, pattern of abnormal conduct or erratic behavior or information provided either by reliable and credible sources or which is independently corroborated indicating use or misuse of drugs prohibited by this policy or the misuse of alcohol.

iv. When an appropriate supervisor or officer in charge of a shift believes that the available facts objectively indicate that reasonable suspicion exists that a test of the employee would yield a positive result for substances in violation of this policy, documentation of such facts shall be maintained in writing. Such supervisor or officer shall exercise care and accurately document the objective facts contributing to and forming the basis for the reasonable suspicion. These facts must include a description of the employee's appearance and demeanor, the observations of witnesses and the nature and source of the information. Where reasonable suspicion arises, in whole or in part, from the observations made by a confidential informant, the supervisor or officer shall simply record the name and location of the employer of such informant and not the informant's name. Confidential informant shall be an employee or agent of any of the following: Plattsburgh Police Department, or any other governmental law enforcement agency.

b. Alcohol testing is authorized only if the observations stated above are made during, just preceding, or just after the period of the workday that the employee is required to be in compliance with the restrictions on alcohol use. When a supervisor or officer in charge of a shift determines that a reasonable suspicion alcohol test should be administered, the employee shall not perform or continue to perform his or her duties until (1) an alcohol test is administered and the employee's alcohol concentration measures less than 0.02, or (2) the start of the employee's next regularly scheduled duty period, but not less than 8 hours following the determination that there is reasonable suspicion to believe that the employee has engaged in misuse of alcohol.

4. On Duty Post-Accident Testing

a. For purposes of the Policy, the term "accident" means an occurrence associated with the operation of a vehicle causing (1) the death of an individual, (2) bodily injury to an individual who immediately receives medical treatment away from the scene of the accident, or (3) damage to one or more vehicles requiring the vehicle to be transported away from the scene by a tow truck or other vehicle.

b. Each covered employee involved in an accident shall be tested for alcohol and drugs if the accident involved the loss of human life or if the employee received a citation under state and local law for a moving traffic violation arising from the accident.

c. An employee who is subject to post-accident testing shall remain readily available for such testing or may be deemed to have refused to submit to testing. Nothing in this paragraph shall be construed to require the delay of necessary medical attention for injured people following an accident or to prohibit an employee from leaving the scene of

an accident for the period necessary to obtain assistance in responding to the accident, or to obtain necessary emergency medical care.

- d. A post-accident alcohol test shall be administered within eight (8) hours of the accident. A post-accident drug test shall be administered within sixteen (16) hours following the accident.

5. Random Testing

- a. All covered employees shall be subject to random drug testing.
- b. The selection of employees for random drug testing shall be made by a scientifically valid method, such as a random number table or a computer based random number generator that is matched with the employee's social security number, payroll identification number or other comparable identifying number. Each employee shall have an equal chance of being tested each time selections are made.
- c. The number of random drug tests conducted each year shall be equal to at least 50% of the number of employees subject to random drug testing.
- d. Random drug tests are unannounced and the dates of administering them shall be spread reasonably throughout the calendar year.
- e. Each employee who is notified of selection for random drug testing shall proceed to the test site immediately, or, if the employee is on duty at the time of notification, the employee shall leave duty as authorized by competent authority and proceed to the testing site as soon as possible.
- f. An employee shall only be tested for alcohol upon reasonable suspicion or in accordance with a post-accident test. Applicants for covered positions will be tested for drugs, but not for alcohol. If an individual is selected for random testing is on long-term leave, which is defined as a leave anticipated to last at least 30 calendar days, then that individual, at the Chief's discretion, may be excused from testing and a substitute individual will be selected for testing. The employer shall not cause the testing entity to not test any individual randomly selected for testing unless such individual is on long- term leave.
- g. As far as possible, covered employees will be sent to testing during regularly scheduled duty hours, however, they may be sent off duty if necessary and paid according to the applicable collective bargaining agreement, policy, or law.

6. Return to Duty Testing

- a. Before an employee returns to duty after engaging in alcohol misuse, the employee shall undergo a return to duty alcohol test with a result indicating an alcohol concentration of less than 0.02.

- b. If an employee is to be returned to duty after engaging in drug use, the employee shall undergo a return to duty test indicating a verified negative result for drug use. This return to duty test does not apply in cases where a last chance agreement has been violated and a termination decision has been made by the Employer.

7. Follow-Up Testing

- a. Following a determination by a substance abuse professional that an employee is in need of assistance in resolving problems associated with alcohol misuse, the employee shall be subject to unannounced follow-up alcohol testing as directed by a substance abuse professional.
- b. The number and frequency of follow-up tests shall be as directed by the substance abuse professional, and shall consist of at least six (6) tests in the first twelve (12) months following the employee's return to duty.
- c. The employee's supervisor may direct the employee to undergo return-to-duty and follow-up testing for both alcohol and drugs, if the substance abuse professional determines that returning-to-duty and follow-up testing for both alcohol and drugs is necessary for that employee.
- d. Follow-up testing shall not exceed sixty (60) months from the date of the employee's return to duty.
- e. Follow-up testing shall not be less than twelve (12) months. The frequency and duration of the follow-up testing will be recommended by a substance abuse professional (SAP) as long as a minimum of six (6) tests are performed during the first twelve (12) months after the employee has returned to duty. The cost of all follow-up testing shall be paid in full by the Employer.

III. Collection and Analysis

- A. All collection of urine or breath for random testing shall be performed at a City facility or facilities or at the site of an independent health provider. Employees shall be advised of the location of the testing site during training on alcohol and drugs, and by a supervisor at the time testing is required.
- B. The collection site for urine samples will provide a privacy enclosure for urination, a toilet, a suitable, clean, writing surface, and a water source for hand washing which, if practicable, will be outside the privacy enclosure. Any water source within the privacy enclosure will be secured to prevent its use to adulterate the urine sample.
- C. The employee will be assured of privacy during urination except in circumstances where there is evidence that a prior sample was altered, adulterated or tampered with, in which case a retest will be required and privacy will not be assured.

- D. The urine specimen must be split and poured into two specimen bottles. This provides the employee with the option of having an analysis of the split sample performed at a separate laboratory if the primary specimen test result is verified positive after an initial screening. A second, confirmatory test is to be accomplished by gas chromatography or mass spectrometry.
- E. Urine testing will be conducted at a laboratory certified by the U.S. Department of Health and Human Services. No employee of the Employer or the City will be engaged in the testing process.
- F. Cutoff levels as established for each drug class by the Department of Health and Human Services (DHHS) shall be utilized for initial and confirmatory testing. Tested levels which fall below these cutoff levels shall be considered negative results.
- G. All drug testing laboratory results will be reviewed by a qualified Medical Review Officer (MRO) to verify and validate test results. A MRO is a licensed physician responsible for receiving laboratory results generated by a drug-testing program who has knowledge of substance abuse disorders and has relevant training and qualifications.
- H. The MRO will review and interpret all confirmed positive tests by reviewing the employee's medical history, including any medical records and biomedical information provided, affording the employee a reasonable opportunity to discuss the test result, and will decide whether there is a legitimate medical explanation for the result including legally prescribed medication.
- I. The MRO will notify each employee who has a verified positive test that the employee has seventy-two (72) hours in which to request a test of the split specimen.
- J. Upon completion of the MRO's review the MRO shall report each verified test result to the Employer's designated agent who will immediately notify the Police Chief of the result. Once notified of a verified positive test result, the Police Chief or a person authorized by the Police Chief will remove the employee from duty. Removal from duty will be immediate and will not await the results of any test of the split specimen.

IV. Alcohol Testing Procedures

- A. Alcohol testing shall be conducted by collection of a breath specimen through the use of an evidential breath-testing device (EBT) that is approved by the National Highway Traffic Safety Administration or the NYS Division of Criminal Justice Services. The test must be performed by a breath alcohol technician (BAT), who is trained to proficiency in the operation of the EBT being used and in the alcohol testing procedures specified in the regulations.
- B. The person who will serve as the BAT will be identified to employees and by a supervisor at the time of selection for an alcohol test.

- C. In so far as possible, alcohol tests will be conducted at a site that provides privacy to the individual being tested.
- D. Upon arrival at the alcohol collection site, the employee must provide positive identification to the BAT. After testing procedures are explained to the employee, the employee and the BAT must complete, date, and sign the alcohol testing form.
- E. Screening Test
 - a. The BAT will open an individually sealed, disposable mouthpiece in view of the employee and attach it to the EBT. The BAT will instruct the employee to blow forcefully into the mouthpiece for at least six (6) seconds or until an adequate amount of breath has been obtained.
 - b. Following the screening test, the BAT must show the employee the result displayed on the EBT or a printed result. If the result of the screening test is an alcohol concentration of less than 0.02, no further testing is required and the test will be reported to the Employer as a negative test. The employee may then return to his or her duty.
- F. Confirmation Test
 - a. If the result of the screening test is an alcohol concentration of 0.02 or greater, a confirmation test must be performed.
 - b. The confirmation test must be conducted at least fifteen (15) minutes, but not more than twenty (20) minutes, after completion of the initial test. The employee will be instructed not to eat, drink, or put any object or substance in his/her mouth while awaiting this confirmation test. The confirmation test will be performed whether or not the employee complies with such instructions.
 - c. The confirmation test is conducted using the same procedures as the screening test. A new mouthpiece will be used.
 - d. If the initial and confirmation test results are not identical, the confirmation test result is deemed to be the final result.
 - e. The Bat will transmit all results to the Employer's designated agent in a confidential manner. If the employee must be removed from duty, the BAT will notify the Police Chief or designee, and the employee will be removed from duty without delay.
 - f. Where a reasonable suspicion or post-accident alcohol test indicates an alcohol concentration of 0.02 percent or more but less than 0.04 percent, the employee shall not return to duty until at least twenty-four (24) hours after such test.

- g. The unauthorized use of alcoholic beverages on duty or in a way that impacts an employee's job duties may violate the Employer's disciplinary policy, workplace rules or statutes. Violation of any applicable policy or law may subject the covered employee to discipline up to and including termination, to be dealt with in accordance with any applicable collective bargaining agreement.

V. Violations

The following conduct shall be considered a violation of this Policy:

- A. Taking a drug or alcohol test required by this Policy leading to a verified positive result. For purposes of this paragraph A, a verified positive result includes an alcohol test indicating an alcohol concentration of 0.02 percent or more. This policy, however, will not be violated if the drug, narcotic, or controlled substance has been legally proscribed by a New York licensed physician, or other medical practitioner authorized to prescribe these medications for the employee. Any prescription for a controlled substance, drug, or narcotic must be written for a valid medical condition.
- B. Using alcohol while on duty, unless authorized by competent authority as part of an official undercover investigation.
- C. Using alcohol within eight (8) hours after an accident requiring post-accident alcohol test or until the employee undergoes a post-accident alcohol test, whichever occurs first.
- D. Refusal to submit to a post-accident alcohol or drug test, a random drug test, a reasonable suspicion alcohol or drug test, a follow-up alcohol or drug test, or any other alcohol or drug test required by this policy.
- E. Failure to produce an adequate urine or breath sample when a selected for testing, where such failure is not consistent with a legitimate medical excuse. The burden of establishing a legitimate medical excuse falls on the covered employee.
- F. Altering, adulterating, or tampering with a urine sample or breath sample used in a drug or alcohol test required by this Policy, or otherwise distorting the results of a required drug or alcohol test required by this Policy, or otherwise distorting the results of a required drug or alcohol test or attempting to do any of the following:
- G. Refusal to sign consents or releases in connection with drug or alcohol tests.
- H. Reporting for duty or remaining on duty while having an alcohol concentration of 0.02 or greater, except for situations authorized by this Policy.
- I. Reporting for duty or remaining on duty when the employee uses any of the drugs prohibited by this Policy, except when the use is pursuant to the instructions of a physician who has advised the employee that the drug does not adversely affect the

employee's ability to operate safely a City or Police motor vehicle or weapon, and does not adversely affect the employee's ability to carryout the duties of a police officer.

- J. Performing duty within four (4) hours after using alcohol.
- K. Failure to report immediately or in a timely fashion to a drug or alcohol test once notified to do so.
- L. Leaving the scene of an accident without just cause, prior to submitting to a drug or alcohol test.

VI. Consequences

- A. Each employee who commits a violation of this Policy shall be immediately removed from duty. The employee will be allowed to use accumulated leave credits.
- B. Each employee who has committed a violation of this Policy shall be advised of the resources available to the employee in evaluating and resolving problems associated with the misuse of alcohol and the use of controlled substances, including the names, addresses, and telephone numbers of substance abuse professionals and counseling and treatment programs.
- C. Employees who are not subject to termination shall be evaluated by a substance abuse professional who shall determine what assistance, if any, the employee needs in resolving problems associated with alcohol misuse or drug abuse.
- D. Each such employee who is identified as needing assistance in resolving problems associated with alcohol misuse or drug use shall be referred to a treatment or rehabilitation program and shall be evaluated by a substance abuse professional to determine whether the employee has properly followed and completed such rehabilitation or treatment program.
- E. No employee who has violated this Policy shall return to duty unless the employee has followed the recommendations of a substance abuse professional including completion of a treatment or rehabilitation program, as certified by such substance abuse professional, and has passed a return to duty drug test or alcohol test or both, as specified by the substance abuse professional.
- F. Any employee who returns to duty after having satisfied the requirements of return to duty testing shall be subject to follow-up testing.
- G. In addition to the above consequences, an employee who has violated this Policy may be subject to disciplinary action, in accordance with the provisions of New York State Civil Service Law and/or applicable collective bargaining agreement, up to and including termination.

VII. Consequences of a Positive Drug Test

- A. An employee who has a positive drug test result pursuant to any drug test authorized by this policy must be immediately removed from duty. The employee will be placed on administrative leave, and may use accumulated leave time. If the employee exhausts his or her accruals before return to duty testing is successfully completed, unpaid administrative leave will apply. Any employee who has a verified positive drug test result pursuant to any test authorized by this policy shall surrender his/her agency owned firearm(s) to the Police Chief or his designee. The member will not be allowed to return to full duty until the employee has been evaluated by a substance abuse professional. The employee must make an appointment to see a substance abuse professional at the EAP provider within five (5) calendar days of being informed by the MRO of a final positive drug test result. Thereafter, the substance abuse professional will make a determination as to whether the employee can be returned to full duty, after consulting with the Police Chief or his designee as to the employee's job duties. Depending on the extent of treatment determined necessary by the substance abuse professional and any referral agency, the employee may use leave time while under treatment.
- B. An employee may be subjected to disciplinary action in accordance with the provisions of the New York State Civil Service Law or collective bargaining agreement, whichever is applicable, up to and including termination of employment.
- C. In addition, before any employee who has tested positive returns to duty, the employee must undergo and pass a return-to-duty test with a negative result.

VIII. Employee Rights

A. Testing and Waiting Time

All time spent on testing, except for follow-up and turn to duty testing, is paid time under regular pay status, including overtime, if applicable. Employees will be paid while being tested for the time away from duty, or, if their duty assignment has ended, they will be paid up to the time they are released from the testing site.

B. Confidentiality

The Employer shall make every effort to assure confidentiality throughout the testing process and to protect the individual dignity and right to privacy of all covered employees. Personal data regarding the drug testing results and rehabilitation program evaluations will be forwarded only to the Police Chief and are confidential. Any release of this information to person other than to the representatives of the Employer referenced in this Policy or the employee's supervisor is prohibited without written permission of the employee tested. The affected employee may request the results of any drug or alcohol test conducted upon them in writing, by requesting such from the Police chief or designee. The Police Chief may release test results to other Law enforcement Agencies upon service of a subpoena, search warrant, or court order in conjunction with their investigation of an accident, crime, or internal investigation to any other oversight agency where lawful authority is presented.

EXHIBIT 2

Agreement with the Police Officers Union representing City of Plattsburgh employees provides for the extension of coverage to the domestic partners of City employees in the employ of the City Police Department in the City of Plattsburgh's health insurance program and the dental/vision programs administered by the City. If you receive prescription drugs, dental or vision benefits from an Employee Benefit Fund, that fund may also permit you to enroll an eligible domestic partner.

To determine if your domestic partner (partner) qualifies for enrollment, carefully read these instructions and the attached information on the eligibility requirements, the affidavits you must both sign, the proof you must submit, the enrollment application, and important tax information you should know.

The affidavits and documents you are required to submit are only intended to establish the eligibility of your domestic partner for benefits available to you as a City of Plattsburgh employee. However, it is recommended that you seek advice from your attorney regarding any possible legal and financial implications before you take the actions required to provide this benefit to a domestic partner.

Who can be covered as a domestic partner

Unmarried enrollees may cover same or opposite sex partners with whom they reside and have a committed, long term relationship of mutual support, and for whom they have assumed long term financial responsibility or have mutual financial responsibility. See the Affidavit of Domestic Partnership for details. Persons who live together for economic reasons, but who have not made a commitment to an exclusive enduring domestic partnership as described in these documents, will not be considered to be domestic partners for the purpose of enrollment in the City of Plattsburgh benefit programs.

How to enroll a domestic partner

You must do four things. First, you and your partner must complete the Affidavit of Domestic Partnership. Second you and your partner must complete the Affidavit of Financial Interdependence. Third, you must complete a Health Insurance Enrollment Application & Change form. Fourth, You must submit these documents along with two items of proof of financial interdependence and proof of residence for both partners to your Health Benefits Administrator. In addition to the above, if your partner qualifies as your dependent for federal tax purposes and you wish to avoid the additional taxes that may result from this benefit (see Income Tax Implications), you must also complete the Dependent Tax Affidavit and return it with the other documents. Applications filed without the required affidavits or proof will not be processed. Ambiguity or lack of clarity will not be interpreted in the employee's/partner's favor. The City and the Union acknowledge that this Domestic Partners program is new as well as the forms related to it. It may be necessary for the parties to meet to mutually agree to change text or forms from time to time to facilitate the intent or to resolve unforeseen problems.

When coverage begins

If you are enrolled in the City of Plattsburgh's health insurance plan, have satisfied the one year residency and financial requirement, and you have submitted all required documentation to your Health Benefits Administrator on or before or within seven days of your partner's first eligibility, the coverage for your partner begins on the date of first eligibility. If you apply more than seven days but less than 29 days after the date of first eligibility, coverage for your partner begins on the first day of the payroll period following the pay period in which you have submitted all required documentation to your Health Benefits Administrator. If you apply 29 days or more after the date of first eligibility, you will be subject to a late enrollment period and coverage for your partner will begin on the first day of the fifth payroll period following the payroll period in which you apply. Your partner's date of first eligibility is the day that is exactly one year later than the latest date on the supporting documents submitted with your application for coverage.

If you are not enrolled in the City of Plattsburgh's health insurance plan, coverage for both you and your partner may be deferred until you satisfy the new employee or late enrollment waiting period. Ask your Health Benefits Administrator if you must satisfy waiting period.

When coverage ends

Coverage for your domestic partner will end on the day on which you and/or your partner no longer meet one or more of the requirements on the two affidavits you both have signed. The terms and conditions of your coverage requires you to report this relationship termination within 14 days of its occurrence.

How to report that the partnership has ended

Within 14 days of the date the partnership ends, you must complete and submit the form "Termination of Domestic Partnership". The form is available from Health Benefits Administrator and must be submitted immediately upon termination of the partnership. Failure to file the form on a timely basis may have serious negative consequences for you and your partner. You may be liable for claims paid for your former partner for medical services rendered on and after the date the "Termination of Domestic Partnership" form is filled with the Health Benefits Administrator. Your former partner's 60-day eligibility period for applying for COBRA continuation coverage starts on the date of relationship termination, not the notification date.

Dental and Vision Coverage's

If you receive these benefits from the City of Plattsburgh it will be extended to your Domestic Partner if and only if your Domestic Partner qualifies under the IRC Section 152.

INCOME TAX IMPLICATIONS

Imputed Income: Under IRS rules, if a domestic partner is not a "dependent" within the meaning of Section 152 of the Internal Revenue code (IRC), the "fair market value" of the partner's coverage, less any contribution by the enrollee, is treated as income for federal tax purposes. Check with your Health Benefits Administrator for an approximation of the fair market value for City of Plattsburgh administrated health, dental and vision coverage's and check with the applicable benefit fund regarding the tax status of the benefits provided by them. These values, referred to as "imputed income", will be added to your annual salary for income tax purposes and will apply even if you cover other dependents in addition to your partner. If your partner qualifies as a dependent under IRC 152, there will be no imputed income. If you qualify under this section, (and only if you qualify) you must complete the Dependent Tax Affidavit and submit it with your other enrollment documents.

Pre-tax Contribution Program Implications: Under IRC Section 125 rules governing pretax contributions, a domestic partner is not an eligible dependent unless they qualify under Section 152. Therefore, if your partner is a covered dependent, the part of the premium you pay for the dependent portion of your health insurance coverage will be deducted on a post-tax basis. The W-2 form issued by the Office of the City Chamberlain at the end of the tax year will show only the amount of your premium for the Individual portion of your coverage on a pre-tax basis.

Coverage for Partner's Children Only

You may provide coverage under the City administered benefit programs for your partner's child (children) if the child permanently resides in your household and you provide more than 50% of the child's support. To enroll the child, ask your Health Benefits Administrator for form "Statement of Dependence" (SOD). After you complete the form and return it to your Health Benefits Administrator, you will be advised if the child is eligible for coverage. Documentation of the statements made on the SOD may be required. Requirements for coverage of your partner's child (children) under union Employee Benefit Funds may differ from those of the City's administered programs. Consult the appropriate Employee Benefit Fund for their requirements. No dependents of a Domestic Partner other than children can be covered under this Domestic Partner program.
